

The Institute for Agricultural Business Management Education

Information 2011

We invite you to join the Institute for Agricultural Business Management for the 2010-2011 year. We exist to provide initial and continued in-service training for Farm Business Management (FBM) instructors.

Institute members are encouraged to participate in four activities:

- IABME Webinars
- National Farm Business Management Conference, Nashville, TN, June 12-16, 2011.
- The Institute Workshop to be held at The National Farm Management Conference. Institute members will get one on one with the conference keynote speaker as well as being involved in specific breakout sessions for the early career FBM instructor.
- Regional Meetings, we plan to hold regional meetings in the early spring of 2011. These meetings are designed specifically for newer FBM instructors. We are in the planning stages of putting together a Business Transitions meeting for the Wisconsin / Minnesota area. More regional meetings may be added.

Why join the Institute?

- Receive timely, relevant subject matter designed specifically for newer FBM instructors.
- Establish a network of contacts with other FBM professionals.
- Travel reimbursements to most Institute events.
- Enable yourself to be successful in FBM!

Please check out our webinar schedule and register today.
